DANCERS MEASUREMENTS —VERY IMPORTANT!

CATALOG _____ T-SHIRT SIZE: _____ COSTUME SIZE: _____

How to Measure Girth -Hold end of tape measure on top of shoulder. Place tape end on shoulder. While holding the tape end on the shoulder, run tape down front of body, through crotch and up the back to the same shoulder. Allow for curves of bust and abdomen. Measure comfortably over buttocks and into small of back. This gives you total girth measurement.

I have received (either by hard copy or the posting on www.BESTFOOTFORWARDDDANCE.COM), and I have READ, UNDERSTAND and ACCEPT all specifications and requirements as set forth in the 2012 Dance Recital Information and Requirements document (including Mandatory Attendance at the Dress Rehearsal) and agree to pay any and all fees as stated.

THANK YOU!
